Dear Member:

On May 2, in commemoration of Cervantes' Day, the Hispanic Institute will celebrate the Fiesta de la Lengua Española with a brilliant musical and dramatic program, which you will find described in the enclosed leaflet.

Your 1941-42 membership card will entitle you to receive one ticket free, on request. We are also soliciting your cooperation in the matter of selling tickets to others. To the general public the tickets are \$1.50 and \$0.75; to students, \$0.35.

Will you please fill out the coupon below and return it to us, indicating the number of tickets you can sell. Since the entire theatre is reserved, unsold tickets must be returned not later than Thursday, April 30.

May we count on your support to help make this excellent program a thorough success by selling as many tickets as you can?

Sincerely yours,

Dear Member:

Enclosed you will find your membership card for the current year which will accredit your affiliation with the Instituto. This card should be presented at the Instituto library when you wish to read or borrow books, and must be shown at the door to secure admission to the meetings, which are open only to members of the Instituto. Each member may bring one friend with him, but the membership cards are strictly non-transferable.

The purpose of our meetings is to foster an increasing intimacy in a congenial, homogeneous group which has been drawn together by its common interest in the work of the Instituto, and we wish to prevent the intrusion of outsiders which tends to disrupt the atmosphere we have created.

We ask you to cooperate with us by bringing your card with you, as it will be requested for admission to all meetings.

Sincerely yours,

James L. Shearer
Executive Secretary

P. D. Membership cards are still non-transferable. Due to a continually increasing membership and a consequent lack of space member' privilege of bringing an outside guest to the meetings has been rescinded.
