Dr. Henry P. Van Dusen, President
Union Theological Seminary
Broadway at 120th Street
New York 27, N.Y.

Dear Dr. Van Dusen:

Under separate cover I am sending you the first draft of the first chapter of my Th.D. thesis on Unamuno. Since this is the work I started with Dr. Roberts, I do not know to whom it should be sent, and I am therefore sending it to you, trusting that you will do me the favor to see that it reaches the proper person.

Dr. Roberts approved my outline, and it was at his suggestion that this topic was chosen. All the requisites for the degree have been met except the writing of this thesis. I should therefore like to be registered as a candidate for the Th.D. for next graduation.

This first chapter will give a fair idea of the complete work. I plan three more chapters which are now being corrected and typed. I hope to send these to you before February 1957.

I shall greatly appreciate your advice on this matter.

We send our best wishes and greetings from Puerto Rico to you and Mrs. Van Dusen.

Sincerely yours,
